Letter of conformation: Plantosverde

04-12-2020

To whom it may concern.

I, Johan Greeff, Farm Manager of Waverley Hills Organic Wines and Olives, hereby declare that I've been using Plantosverde for the past 6 years.

During these years I could see a drastic change in the overall health of the vineyards and olives. In the vineyard blocks where the colour of the vines use to be a pale green colour we now have beautiful dark green and healthy leafs and shoots.

I will recommend this product to any one and I've also gave this product to one of my employees to try it on his vegetable garden and he was amazed by the results.

Kind regards

Johan Greeff (072 805 8705)
