Date: 24 June 2016

To whom it may concern:

Hereby the owner of Wolfkloof Farm in Franschhoek would like to confirm that we use the "Plantos Verde" natural leaf product on our Plums, Nectarines and Wine Grapes.

The farm had a average of 3 spraying of 3 kilograms per hectare and the results we received has a great increase in sugar and quality and a drastic decrease in claims on our export of the products.

We can proof that all our fruits has been packed and exported by Franschhoek Vruchte Verpakkers and the fruits was in a CA Cooling room quality was of high standard quality
